Notes from our Therapists Important Insurance Reminders

The Therapists would like to welcome you to the new 2015-16 school year ! We look forward to working with your child to help them reach their full potential. Communication between families and therapists is vital for the forward progress for your child. Unfortunately, it is getting more and challenging to meet the changing requirements from insurance agencies. Therefore, in order for there to be no lapses in your child's therapy sessions we need to stay informed of any changes to your insurance, coverage or physician changes. Also make sure and let DLC know if you had any contact changes throughout the year, such as new phone numbers.

The current Insurances we accept are: Sunshine, EQ Health, TriCare, Ped-I-Care, CMS, and private insurance. Please contact our Therapy Director, April Saltford if you have any Therapy Questions: 904-387-0370
